Item 1.01 Entry into a Material Definitive Agreement.

On June 20, 2017, Akoustis Technologies, Inc. (the “Company”) executed a purchase order (the “Purchase Order”) to purchase a thin film material deposition tool, which will be used to grow thin film materials for the Company’s RF Filter applications (the “Deposition Tool”), from AIXTRON, Inc. (“AIXTRON”) for an aggregate purchase price of \$2.1 million, exclusive of materials necessary for the installation and completion of commissioning the Deposition Tool’s use. The Company will also be responsible for the costs of international shipment, import, and onsite preparation for installation and delivery.

The Company has remitted a \$630,000 deposit on the Deposition Tool, as required by the terms and conditions of the Purchase Order, and the Company expects to satisfy the remainder of the purchase price with either cash on hand and/or through debt financing. The final payment will be due upon signed final acceptance of the Deposition Tool at our New York facility, but no later than 90 days after the scheduled shipment, which is scheduled to occur in the late third quarter or early fourth quarter of 2017. Failure to satisfy the Company’s obligations under the Purchase Order could subject the Company to liquidated damages in the amount of 8% of the purchase price.

Performance of the Deposition Tool is required to be demonstrated to mutually agreed and defined performance specifications. The Deposition Tool will be subject to three acceptance tests to prove that it meets the agreed specifications related to system hardware, software, and basic functionality. If the installation and acceptance tests cannot be completed within six months from the scheduled shipment date, unless such delay is agreed to in writing or caused by AIXTRON or certain other events, the Company must reimburse AIXTRON for the additional costs for the installation and commissioning of the Deposition Tool. In addition, the Company is required to indemnify AIXTRON and its agents, employees, or subcontractors for certain injuries and damages, if any, incurred by them during the performance of their duties under the sales terms and conditions attached to the Purchase Order.

The purchase of the Deposition Tool is governed by the laws of the Federal Republic of Germany, excluding its conflicts of laws rules and excluding the United Nations Convention on Contracts for the International Sale of Goods.

The foregoing description of the Purchase Order is qualified in its entirety by reference to the Purchase Order, attached hereto as Exhibit 10.1 and incorporated herein by reference.

On June 22, 2017, the Compensation Committee of the Board of Directors of Akoustis Technologies, Inc. On June 26, 2017, pursuant to the previously announced Definitive Asset Purchase Agreement and Definitive Real Property Purchase Agreement (collectively, the “Agreements”) with The Research Foundation for the State University of New York (“RF-SUNY”) and Fuller Road Management Corporation, an affiliate of RF-SUNY, respectively, Akoustis Technologies, Inc. (the “Company”) completed the acquisition of certain specified assets, including STC-MEMS, a semiconductor wafer-manufacturing operation and microelectromechanical systems (“MEMS”) business with associated wafer-manufacturing tools, as well as the real estate and improvements associated with the facility located in Canandaigua, New York, which is used in the operation of STC-MEMS (the assets and real estate and improvements referred to together herein as the “Acquired Business”). The Agreements contain representations and warranties that each party thereto made to and solely for the benefit of each other as of specific dates. The assertions embodied in those representations and warranties were made solely for purposes of the contract between the parties thereto and may be subject to important qualifications and limitations agreed by the parties in connection with negotiating the terms of the contracts. Moreover, some of those representations and warranties (a) may not be accurate or complete as of any other specified date, (b) may be subject to a contractual standard of materiality different from that generally applicable to stockholders, or (c) may have been used for the purpose of allocating risk between the parties to the Agreements rather than establishing matters as facts. For the foregoing reasons, the representations and warranties should not be relied upon as statements of factual information. The Agreements should not be read alone, but should instead be read in conjunction with the other information that the Company files with the U.S. Securities and Exchange Commission (the “SEC”).

The description of the Agreements set forth herein is qualified in its entirety by reference to the full text of the Agreements, which were filed as Exhibits 2.1 and 2.2 to the Company’s Current Report on Form 8-K, filed with the SEC on March 24, 2017, and are incorporated by reference herein.

Item 9.01 Financial Statements and Exhibits.**(a) Financial Statements of Business Acquired.**

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Chief Financial Officer Transition

On July 14, 2017, the Board of Directors (the “Board”) of Akoustis Technologies, Inc. (the “Company”) elected John T. Kurtzweil to serve as its Chief Financial Officer and Chief Accounting Officer, effective immediately. As previously reported in the Company’s Current Report on Form 8-K, filed with the Securities and Exchange Commission (the “SEC”) on May 26, 2017 (the “Previous Form 8-K”), Cindy C. Payne, the Company’s then Chief Financial Officer, notified the Company on May 22, 2017 of her intention to step down from her position as Chief Financial Officer. Ms. Payne’s resignation became effective on July 14, 2017 upon Mr. Kurtzweil’s election. Pursuant to the offer letter, filed as Exhibit 10.1 to the Previous Form 8-K, Ms. Payne now serves as the Company’s Vice President of Finance. Effective July 14, 2017, Ms. Payne also serves as the Company’s Corporate Controller.

Mr. Kurtzweil, age 60, has served as a director on the Board since January 12, 2017. He served as VP Finance of Cree, Inc., a company that develops, manufactures, and sells lighting-class light emitting diode, lighting, and semiconductor products for power and radio-frequency applications, and Chief Financial Officer of Wolfspeed, a Cree Company, from 2015 until March 2017. He is currently providing consulting services to a number of businesses. Prior to his employment at Cree, Mr. Kurtzweil was an independent consultant beginning in 2014. From 2012 until 2014, Mr. Kurtzweil served as Senior Vice President, Chief Financial Officer and Special Advisor to the Chief Executive Officer of Extreme Networks, Inc., a provider of high-performance, open networking innovations for enterprises, services providers, and Internet exchanges, and also served as its Chief Accounting Officer. From 2006 to 2012, Mr. Kurtzweil served as Executive Vice President, Finance and as Chief Financial Officer and Treasurer of Cree, Inc. From 2004 to 2006, Mr. Kurtzweil was Senior Vice President and Chief Financial Officer at Cirrus Logic, Inc., a fabless semiconductor company. Mr. Kurtzweil currently serves as a director of Axcelis Technology, Inc., and was appointed Chairman of its Audit Committee in February 2017. Mr. Kurtzweil served as a board member for Meru Networks, Inc. for a portion of 2015 prior to its acquisition.

Mr. Kurtzweil’s industry experience includes several M&A transactions and, when combined with his treasury experience, gives him a valuable perspective as Chief Financial Officer. His qualifications to serve as Chief Financial Officer also include that he is a certified public accountant and certified management accountant, his financial market experience, training through the Stanford Directors College and his active membership with the National Association of Corporate Directors.

There are no family relationships between Mr. Kurtzweil and any other executive officer or director of the Company, nor is the Company aware of any relationships or transactions in which Mr. Kurtzweil has or will have an interest, or is or was a party, requiring disclosure under Item 404(a) of Regulation S-K. Upon joining the Board in January 2017, Mr. Kurtzweil received 22,000 shares of the Company’s common stock, par value \$0.001 per share (“Common Stock”) under the Company’s 2016 Stock Incentive Plan (the “Plan”). These shares will continue to vest 25% on each of the first, second, third, and fourth anniversaries of the grant date pursuant to the terms of the Plan and the award agreement.

In connection with his election to Chief Financial Officer of the Company, Mr. Kurtzweil has resigned from the Board, including from his positions on the Board’s Audit Committee (including from his position as Chairman of the Audit Committee), Compensation Committee, and Nominating Committee. The Company expects to announce the appointment of a new director soon.

On July 17, 2017, the Company issued a press release announcing Mr. Kurtzweil’s election to Chief Financial Officer. The full text of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.

Chief Financial Officer Employment Agreement

In connection with his election to Chief Financial Officer of the Company, Mr. Kurtzweil and the Company entered into an employment agreement, dated July 14, 2017 (the “Employment Agreement”), pursuant to which Mr. Kurtzweil will receive an annual base salary of \$151,000, which is subject to increases or decreases at the Board’s sole discretion, monthly living expenses of \$1,600, three weeks of paid vacation each year, and reimbursement for all reasonable business, promotional, travel, and entertainment expenses incurred in the performance of his duties. In addition, Mr. Kurtzweil is also eligible to earn a target annual bonus each fiscal year equal to 70% of his annual base salary, based on certain Company operation, financial, and other milestones set by the Board and/or its Compensation Committee. Mr. Kurtzweil is also entitled to participate in any employee benefit plans and programs generally provided by the Company to its senior executives from time to time. In addition, as an inducement to employment, Mr. Kurtzweil will receive the equity awards described under “Chief Financial Officer Equity Awards” below.

The term of the Employment Agreement extends through July 31, 2018, and the Employment Agreement will automatically renew for successive one year periods unless either party gives at least 30 days written notice of non-renewal to the other party prior to the end of the then applicable term.

If Mr. Kurtzweil's employment is terminated by the Company without "cause" or by Mr. Kurtzweil for "good reason" (each as defined in the Employment Agreement), Mr. Kurtzweil will be entitled to receive: (1) continued payment of his base salary, payable in bi-weekly installments, for 12 months; (2) his annual bonus for the preceding year, if and to the extent earned and not already paid; (3) any other compensation and benefits accrued through the date of termination; and (4) reimbursement for one year after the date of termination for the cost of committed living allowance expenses and any COBRA continuation of health coverage if he elects such coverage. Any unvested stock options, restricted stock awards, or other equity awards granted by the Company to Mr. Kurtzweil will vest or be forfeited in accordance with the terms of the applicable award agreement(s).

If Mr. Kurtzweil's employment is terminated due to his death or "disability" (as defined in the Employment Agreement), if the Company terminates Mr. Kurtzweil's employment for "cause," or if Mr. Kurtzweil voluntarily terminates his employment without "good reason," Mr. Kurtzweil, his designated beneficiary, or his estate, as applicable, will be entitled to receive his base salary accrued through the date of termination. In the case of termination due to "disability" or Mr. Kurtzweil's voluntary termination of employment, he will also be entitled to receive his annual bonus for the preceding year, if and to the extent earned and not already paid. Any unvested stock options, restricted stock awards, or other equity awards granted by the Company to Mr. Kurtzweil will vest or be forfeited in accordance with the terms of the applicable award agreement(s).

Mr. Kurtzweil is also subject to various restrictive covenants, and his entitlement to certain benefits is contingent upon his compliance with such covenants. Specifically, Mr. Kurtzweil is subject to a covenant not to disclose the Company's confidential information, a covenant not to compete during his employment and for a period of one year following termination of his employment, a covenant not to solicit the Company's customers and employees during his employment and for a period of one year following termination of his employment, and a reciprocal non-disparagement covenant during his employment and at all times thereafter.

The Employment Agreement also includes an acknowledgment by Mr. Kurtzweil of the Company's ownership of work products which are created, designed, conceived, or developed by Mr. Kurtzweil during his employment and a warranty by Mr. Kurtzweil to indemnify and hold harmless the Company in the event he breaches any obligation under the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and any rules promulgated by the SEC and other applicable federal, state, or foreign laws, rules, regulations, or orders.

The foregoing summary of the Employment Agreement is not complete and is qualified in its entirety by reference to the full text of the Employment Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

Chief Financial Officer Equity Awards

Pursuant to the Employment Agreement, Mr. Kurtzweil will receive a restricted stock award for 100,000 shares of Common Stock (the "Restricted Stock Award") and options for 75,000 shares of Common Stock (the "Option" and, together with the Restricted Stock Award, the "Awards") during the Company's next open trading window. The Awards will be granted under the Plan and will vest 25% on each of the first, second, third, and fourth anniversaries of the grant date, subject to Mr. Kurtzweil's continued employment and the terms and conditions of the Plan and the applicable award agreements in a form established by the Compensation Committee of the Board.

If Mr. Kurtzweil's employment is terminated for any reason other than termination by the Company without "cause," by Mr. Kurtzweil for "good reason," or due to Mr. Kurtzweil's death or "disability" (each as defined in the Employment Agreement), which death or "disability" occurred during the performance of Mr. Kurtzweil's duties as an employee of the Company (provided that Mr. Kurtzweil was not negligent in the performance of such duties), and all or any part of the Awards has not vested, been earned, or become exercisable, as applicable, pursuant to the terms of the Plan and the applicable award agreement, the Awards, to the extent not then vested or earned, will be forfeited immediately upon such termination.

If Mr. Kurtzweil's employment is terminated by the Company without "cause," by Mr. Kurtzweil for "good reason," or due to Mr. Kurtzweil's death or "disability" (each as defined in the Employment Agreement), which death or "disability" occurred during the performance of Mr. Kurtzweil's duties as an employee of the Company (provided that Mr. Kurtzweil was not negligent in the performance of such duties), any part of the Awards that has not vested, been earned, or become exercisable, as applicable, pursuant to the terms of the Plan and the applicable award agreement will be deemed earned and vested as of the termination date, provided that Mr. Kurtzweil agrees not to sell, transfer, assign, pledge, or otherwise encumber the shares subject to the Restricted Stock Award and the shares underlying the Option (other than by will or the laws of intestate succession or to cover withholding tax obligations) until the Restricted Stock Award or the Option, as applicable, would have otherwise vested.

In the event of a "change of control" (as defined in the Plan), if the successor or surviving company does not assume or substitute the Awards on substantially similar terms or with substantially equivalent economic benefits as the Awards, the Awards will become fully vested, earned, payable, and exercisable, as applicable, to the fullest extent of the original grant as of the date of the "change of control." If the Awards are substituted, assumed, or continued by the successor or surviving company on substantially similar terms or with substantially equivalent economic benefits, but Mr. Kurtzweil is terminated by the Company or an affiliate without "cause" or for "good reason" (each as defined in the Plan) within two years after the effective date of the "change of control," the Awards will become fully vested.

The foregoing summary of the Awards is not complete and is qualified in its entirety by reference to the full text of the form of Restricted Stock Award Agreement and the form of Option Agreement, as applicable, to be entered into by Mr. Kurtzweil and the Company during the next open trading window, copies of which are attached hereto as Exhibits 10.2 and 10.3, respectively, and incorporated herein by reference.
